At Sunset View | A Foundation Supporting Students

## Corporate Sponsorship Programs

Kidsfirst at Sunset View Elementary offers Corporate Sponsorship Programs as an opportunity for local businesses to target our demographic and give back to the Point Loma community by supporting public education. Your sponsorship enables us to adequately fund educational and supplemental programs that no longer exist at many San Diego schools. We fund academic programming in Science, Math, Technology, Fine Arts, Poetry, Multi Cultural Arts and Visual & Performing Arts. Our Corporate Sponsorship Programs provide your company exposure to our community throughout the academic year with just one donation. Thank you for considering making a difference in our children's education!
